SUMMARY

Hotel & Leisure Facilities Management diploma student at Ngee Ann Polytechnic (GPA 3.7, Director's List) with coursework in mechanical and electrical facilities, building technology and sustainable building systems, plus hands-on experience upholding cleanliness, hygiene and safety standards across 6 cinema auditoriums and coordinating suppliers and billing at an engineering firm. Seeking a facilities management internship to support daily operations, vendor coordination and safety compliance.

EXPERIENCE

Cinema Service Crew

Mar 2026 - Present

Golden Village, Singapore

- Maintained cleanliness, presentation and safety standards across 6 auditoriums, executing rapid turnovers between screenings in line with brand hygiene and safety SOPs
- Adhered to SOPs for safety, hygiene and guest conduct during peak periods, supporting smooth daily venue operations
- Resolved guest inquiries, complaints and special requests promptly and professionally in a high-traffic public environment
- Coordinated guest flow across multiple sessions through ticket bookings and reservations to keep screenings starting on time
- Processed POS transactions exceeding \$1,000 per shift across cash, card and digital payments, maintaining zero discrepancies through end-of-shift reconciliation

Part Time Admin

Jun 2024 - Present

Yi Fan Engineering, Singapore

- Coordinated with suppliers on procurement and payment processes, keeping financial documentation accurate and up to date
- Managed client invoices in Xero, maintaining error-free billing records and timely accounts payable updates
- Prepared and issued client quotations with accurate details and prompt turnaround
- Handled 15+ daily customer inquiries by phone and email with responsive, professional communication
- Streamlined billing and administrative coordination across departments to support daily operational workflows
